The Accounting Department would like to inform the community and all Tribal members that we must have a social security number on file in order for you to receive your check in December. The social security number is for sending out the IRS 1099 forms in which a social security number is required. A list of those we are missing is attached.

The Per Capita deadline for this year is November 15, 2016. We must have your social security number by that date or your check will be held until we receive it. We will not mail out a check until a social security number is received and a current address is on file.

Also, we received many of the IRS 1099 forms back in the mail due to bad addresses so if you did not receive a 1099 for 2015, please call April at the Tribal Office (928) 769-2216.

Minor Per Capita statements were also recently mailed out and many were returned. If you did not receive a statement for your child(ren) this year, please call April at the Tribal Office to verify your address. If you need to update your address, then the address change form must be filled out.

Lastly, address change forms are available online and at the Tribal Office. These forms must be filled out entirely and be notarized or they will not be accepted. If your check is mailed and we don't have a current address on file, you will be responsible for any bank fees associated with reissuing another check, so please take the time to call and double check!

Thank you.

Proposed Amendments to the HTUA Ordinance • Section 208 & 209

Submitted by: Kevin Davidson | Hualapai Planning Department

Proposed Amendments to Sections 208 and 209 of the Hualapai Tribal Utility Authority Ordinance (strike-through text to be removed, double underlined text to be added)

Section 208. Bonds and Notes for Support of the Utility

(a) **No Material Change during Terms of Notes and Bonds.** The Hualapai Tribal Council does hereby pledge to contract and agree with any person, firm, or corporation, or any federal, tribal, or state agency subscribing to or acquiring notes or bonds of HTUA issued for purposes of HTUA, that it obligates itself not to limit or alter the rights or powers vested in HTUA in any material way until such notes or bonds, at any time issued, together with interest thereon, are fully met, paid, and discharged.

(b) **No Material Change Respecting Federal Creditors or Federal Contributors of Funds.** The Hualapai Tribal Council does further pledge to contract and agree with any federal agency (including but not limited to the Rural Utility Service) that, in the event such agency shall loan or contribute any funds for construction, extension, improvement or enlargement of any facilities, the Hualapai Tribal Council will not alter or limit the rights or powers of HTUA in any manner that would be inconsistent with the continued operation and maintenance of such facilities or the extension, improvement, or enlargement thereof, or which would be inconsistent with the due performance of any agreements between HTUA and any such federal agency; and HTUA shall continue to have and may exercise all rights and powers under this ordinance, so long as the same shall be necessary or desirable for carrying out its purposes and those of any federal agency loaning or contributing funds for the construction, extension, improvement, or enlargement of any facilities.

(c) **Remedies of Note or Bond Holders.** Subject to any contractual limitations binding upon the holders of any issue of notes or bonds, or trustees for such holders, including but not limited to the restriction of the exercise of any remedy to a specified proportion or percentage of such holders, any holder of any note or bond, or trustee for such holder, shall have the right and power, for the equal benefit and protection of all holders of notes or bonds similarly situated:

- (1) By mandamus or other suit, action, or proceeding at law or in equity ~~in the Courts of the Hualapai Tribe~~ to compel HTUA and its Board, officers, agents, or employees to perform and carry out their duties and obligations under HTUA's covenants and agreements with such holders;
- (2) By action or suit in equity to require HTUA and its Board to account as if they were the trustees of an express trust;
- (3) By action, suit, or other proceeding at law or in equity to have a receiver appointed and/or to enforce any pledge, lien, or security agreement given in connection with the issuance of any note or bond, such enforcement right to include the power to possess, control, and sell the security in accordance with the applicable security agreement, lien, or pledge;
- (4) By action or suit in equity against HTUA or its Board to enjoin any acts or things which are in violation of the rights of the note or bond holders; and
- (5) To bring suit against the Utility upon the notes or bonds, security instruments, or loan contracts.

Unless otherwise agreed between HTUA and such holder or trustee for any such holder, such rights shall be enforceable only in the courts of the Hualapai Tribe. No remedy conferred by this Section upon any holder of the notes or bonds, or any trustee for such a holder, is intended to be exclusive of any other remedy, but each such remedy is cumulative and in addition to every other remedy, and may be exercised without exhausting and without regard to any other

remedy conferred by this section or by any other law. No waiver of any default or breach of duty of contract, whether by any holder of the notes or bonds, or any trustee for such a holder, shall extend to or shall effect any subsequent default or breach of duty of contract or shall impair any rights or remedies thereon. No delay or omission of any note or bond holder, or any trustee for such a holder, to exercise any right or power accruing upon default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon such holder may be enforced and exercised from time to time as often as may be deemed expedient. In case any suit, action, or proceeding to exercise any remedy shall be determined adversely to the holder of the note or bond, or any trustee for such a holder, then in every such case HTUA and such holder, or trustee, shall be restored to their former positions and rights and remedies as if no such suit, action, or proceeding had been brought or taken.

(d) Limited Waiver of Sovereign Immunity. Subsections (b) and (c) of this Section shall be construed as an explicitly limited exception to the sovereign immunity of the Hualapai Tribe and shall not be construed to waive any immunity of the Hualapai Tribe, nor to extend any liability to any assets, revenues, or incomes of the Hualapai Tribe, other than those of HTUA. The waiver in subsection (c) is expressly limited to actions in the Courts of the Hualapai Tribe, unless otherwise agreed between HTUA and the holder or trustee for any such holder. A waiver of sovereign immunity pursuant to this Section ~~will require a referendum in accordance with~~ to the extent required by the Hualapai Constitution.

Section 209. Enforceability of Contracts

(a) Contracts in the Course of Utility Operations. HTUA is authorized to enter into contracts in the course of conducting its operations, and such contracts shall be enforceable in a proceeding at law or in equity in the Courts of the Hualapai Tribe and/or the federal courts of the United States (at the discretion of HTUA), in accordance with this Section. The Board shall develop a standard clause ~~(in accordance with subsection (b) below)~~ to be included in such contracts, which clause shall be presented to the Tribal Council for approval. Said clause may limit the extent of HTUA's liability for damages and shall govern the extent to which HTUA may waive immunity. Once such a clause has been approved by the Tribal Council, no further action by the Council is required for such a contract to be enforceable in ~~the Courts of the Hualapai Tribe~~ accordance with this subsection (a). Until such a standard clause has been approved, or in the event that a party to a contract with HTUA does not agree to be bound by terms within the extent of the waiver contemplated by the standard clause, a clause on enforceability of any such contract will require approval by the Tribal Council.

(b) Enforceability of Service Agreements and Special Contracts. The Board ~~shall~~ may develop a standard clause to be included in its service agreements and special contracts with customers to ensure that such contracts can be enforced in the Courts of the Hualapai Tribe. The standard clause may limit the extent to which HTUA will be liable for damages resulting from power outages, disruptions in water or wastewater services, or other service failures. This standard clause shall be presented to the Tribal Council for approval. ~~Once such a clause has been approved by the Council, no further action by the Council is required for such a contract to be enforceable in the Courts of the Hualapai Tribe.~~

(c) Limited Waiver of Sovereign Immunity. Subsections (a) and (b) of this Section, and any waiver of sovereign immunity included in any contract other than those contracts contemplated by those subsections, shall be construed as an explicitly limited exception to the sovereign immunity of the Hualapai Tribe and shall not be construed to waive any immunity of the Hualapai Tribe, nor to extend any liability to any assets, revenues, or incomes of the Hualapai Tribe, other than those of HTUA. A waiver of sovereign immunity ~~pursuant to this Section~~ will require a referendum ~~in accordance with~~ to the extent required by the Hualapai Constitution.

SAVE THE DATE for the Phoenix Indian School Reunion

Phoenix, AZ –The Heard Museum along with the partners Native American Connections (NAC) and the Phoenix Indian Center (PIC) will host a reunion for the alumni of Phoenix Indian School on Saturday October 8, 2016.

This event will coincide with two major events, the annual Native American Recognition Days (NARD) Parade and planning for the expansion of the Heard Museum's Boarding School exhibit.

Alumni from Phoenix Indian are invited to march in the NARD/NAC Parade which starts at 9 a.m. at 3rd Street and Oak and heads north ending in Steele Indian School Park. The reunion, which is an RSVP only event, will kick off inside Memorial Hall at 10 a.m. and move to the Heard Museum for lunch and an afternoon program for the alumni.

Alumni of Phoenix Indian are invited to bring one guest and must RSVP to PILegacyProject@nativeconnections.org.

2016 is the 125th anniversary of the founding of the school. When it was created in 1891 it was called, "The Phoenix Indian Industrial School." Many generations of Indian families attended Phoenix Indian in its 99-year history. The school closed in 1990 and much of the land became Steele Indian School Park. Only three buildings remain from the old school and the city of Phoenix (COP) has renovated one, Memorial Hall.

The partners NAC and PIC are overseeing the restoration of the former music building and construction is underway. "We can't wait for this building to be restored and once again be open to welcome the alumni of Phoenix Indian," says Diana Yazzie Devine, CEO of Native American Connections. The building will become a Native American Cultural and Business Center. It's set to open in the spring of 2017.

The Heard Museum's expanded boarding school exhibit is set to open spring 2018. The content will be updated and include personal stories from PIS alumni.

When the boarding school exhibit opened in 2000, no one expected the impact it would make on the community. Heard Museum curator, Janet Cantley says "The impact of *Remembering Our Indian School Days: The Boarding School Experience* exceeded our expectations. Our Native attendance alone has doubled since the opening of this powerful exhibition. Since 2000 there has been considerable scholarship on issues surrounding American Indian education. We want visitors to be brought up to date, thematically and technologically, in the revised exhibit."

Part of the PIS Reunion program will include identifying students in photographs from the school.

Patricia Hibbeler, CEO of the Phoenix Indian Center adds, "It will be marvelous to see the many classes of P.I. alumni return to their school and share stories about the years they lived on the campus."

HEALTH & SAFETY INFORMATION

HUALAPAI ANIMAL CONTROL

Office Number: (928) 769-2810 Fax Number (928) 769-2883 E Mail Address: hualapai_animalcontrol@hotmail.com

CONTACT ANIMAL CONTROL: Animal Control office is located at the Department of Emergency Services; to contact Animal Control you may call the Emergency Services Dispatch at 769-2810. The Animal Control Program is a 24 hours a day 7 days a week program.

ENFORCEMENT: As pet owners of the Hualapai Nation, the Tribal Council passed strict ordinances regarding Animal Care, all dogs must be confined to your yard at all times, pet owners should never allow their dog to roam free. Pet owners who allow their pet to run at large will be cited for violations according to Chapter 15 of the Hualapai Law and Order Code. A maximum penalty of FIVE HUNDRED DOLLARS for every violation cited maybe imposed upon pet owners who violate the ordinance. Animals picked up in serious incidents i.e.: dog bite incidences will be held for a mandatory 10 days observation in accordance to the ordinance with fees applied for observation, transportation, and vaccinations.

SPAY or NEUTER: You are asked to help control the pet population on the Hualapai Nation by having your pet spayed or neutered, this will help with the over population of unwanted pets and decrease the Public Nuisance complaints of pack of male dogs chasing after a female dog that is in heat. The Animal Control Program recommends the following animal clinics:

1. Low Cost Spay/Neuter Clinic, 1520 E. Andy Devine, Kingman AZ. 86401 (928)692-5226
2. Manzanita Animal Hospital, 2323 Detroit Ave. Kingman, AZ 86401 (928)753-6138

Housing and Tribal Ordinance: It is also a reminder according to the Hualapai Housing Policy, you are only allowed two (2) dogs a residence, this is being enforced by the Housing Department, the Law and Order Code also has an ordinance *Sec.15.2(H)* that prohibits the owning of no more then two dogs per residence, owners who violate the code with multiple dogs are being referred to the Hualapai Tribal Courts.

ANIMAL ABUSE: If you witness or have any information of an animal owner who is teaching their animal to fight or provoke any such action against another person or animal or conduct such illegal business of animal gaming. Contact Hualapai Animal Control Dispatch 769-2810

REGISTRATION LICENSING: According to the Animal Care and Control Ordinance, all pets must be registered through the HUALAPAI ANIMAL CONTROL program, the registration is easy, Registration is \$10.00 per animal with complimentary (FREE) Rabies vaccination. Animals Running at Large will be picked up and transported to the Hualapai Tribe Kennel. All animals that are transported are held at the kennel for a mandatory 72 hours for owner reclaim. For any time past 72 Hours the animals will be considered abandoned and a stray animal. They will then be considered for the adoption process.

MISSING ANIMALS: To report your animal missing, you may contact the Emergency Service Dispatch and give a brief description, tag Number, Owner name and Phone Number.

****DISEASE CONTROL:** A high number of canine deaths have been reported to animal control, most have been young dogs contracting the Parvovirus. Parvovirus is a viral disease of dogs, it affects puppies more frequently than it affects adult dogs, and in young puppies it can infect the heart muscle and lead to "sudden" death. Parvovirus is probably the most common viral illness of dogs. Veterinarians recommend vaccinating puppies every three to four weeks for this virus, starting at 6 weeks of age, until they are at least 20 weeks of age. The parvovirus attacks the lining of the digestive system. It causes dogs and puppies to not be able to absorb nutrients or liquids. Puppies are especially prone to it because they have an immature immune system. When dogs and puppies contract parvo, they usually stop eating and develop a bloody, foul-smelling, liquid stool, symptoms include high fever, depression, loss of appetite, vomiting and bloody diarrhea, in many case dehydration, shock, followed by death. More information contact your veterinarian and vaccination information for your pet.

SCHOOL and WORK: Animal Control reminds pet owners, please keep your pet at home, Also remind your children not to walk their dog to school, keep all pets at home, properly confined with food and water. Any Violations will be submitted through Tribal Courts.

DOG BITE REPORTS: It is our goal to be dog bite free, but this is not always the case, about half of all children are bitten by a dog, before their 18th birthday, here are some tried-and-true tips that all children should keep in mind when man best friend is near. **MOTHER, may I? Rule number one:** ALWAYS ask permission before petting someone's dog, approach slowly and quietly, and allow the dog to sniff the back of your hand. Pet the dog's sides or back gently.

THEY THINK THEY OWN EVERYTHING Stay away from any dog who may be protecting something. That means not petting a dog that's eating, playing with a toy, tied up, behind a fence or in a car. **PREPARE FOR THE WORST:** If a dog growls at you or chases you, be still and quiet. Avoid eye contact with dogs; dogs often see this as a threat. Protect yourself with a backpack or bikes as a shield.

REPORT ANY DOG BITE INCIDENT TO ANIMAL CONTROL OR HUALAPAI NATION POLICE.

~DOGS IN HOT WEATHER! ~

If you're Hot, your dog is Hotter. Dogs will naturally do less in the heat—Leave them to relax in a cool, shady spot with lots of water to drink.

1. Dogs need shade in the hot weather. They also benefit from a breeze.
2. Dogs need lots of clean water **ALL THE TIME.**
3. If you tie your dog, always do it in the shade with at *least* 8 feet of Leash.
4. **NEVER** leave your dog in your car or truck. Dogs don't have sweat glands and can die quickly. Metal truck beds get very hot in the sun. If it feels hot to you, it feels even hotter to your dog.
5. Remember that bugs are just as annoying to your dog as they are to you. Don't leave your animal in a bug infested area.

Signs of heat stroke include excessive panting, drooling, lethargic and even unconsciousness. Call your veterinarian right away if your dog exhibits any of these signs of heat stroke.

Things you could do to help your animal:

1. Put your dog in a cool well-ventilated area;
2. Wet his fur with a cool towel with cool water (NOT COLD WATER—you have to lower their body temperature slowly.)
3. Stay with the animal, and give it fresh, cool water to drink when he has recovered.
